## GREENLEAF SCHOOL.

First term, Ora T. Chase.

We have had twenty one weeks of school in all districts except Carr, where the extra week due from last year made twenty two.

The Greenleaf school had a spring term of nine weeks. Not having sufficient number, to maintain a school the scholars were conveyed to Beede District, during the fall term. Four teachers taught for the first time, Mattie L. Alexander, Eugene M. Worthen, Ross P. Sanborn. Although young in experience their schools showed earnest and faithful work.

The older teachers came well recommended, and maintained their reputation as the closing examinations showed hard work, by both teacher and pupils. The attendance during the summer term was very good, there being about fifty who earned the right of attending the Roll of Honor Party, given by the Committee, and teachers, as encouragement to punctual attendance, the lacking element in all schools. During the fall term the younger children on account of cold weather could not attend regularly, although those that tried deserve special mention.

All those that were in attendance the twelve weeks were rewarded by a Banner as a memento of their efforts.

After careful consideration and investigation we decided to furnish charts which we have reason to know are a benefit to teacher and scholars.

Respectfully,

CALLIE C. BAKER,	} <i>School</i>
